## Bemoccatic Northwest.

More of Mr. Spoop-ndyke's Bomestic Troubles.

Look here, my dear, said Mr. Spoopendyke, tossing over the laces I don't see it anywhere.'

protect her trinkets, and try to gain a little time.

I want to open some sardines with with fish within reach. it,' retorted Mr. Spoopendyke, abandoring the drawer and hunting through the work-basket. Think I A Man who Wishes to be in at the Grand want to comb my hair with it? Imagine I wanted to write a letter with Well, I don't. I want some sardines. What have you done with

'You might take your big knife,' recommended Mrs. Spoopendyke. that, you know.

Mr. Spoopendyke seized the knife box, while his wife looked on with considerable distress.

'Handn't you better put a paper unover the table-cloth,' suggested Mrs. pal planets. Spoopendyke.

'No, I won't either,' said Mr. Spoopendyke, as the knife plunged through the box, and the oil spattered. Serve you right if I did,' he continued, plowing away at the tin, while the grease flew in all directions. It will teach you to put the can opener where you could find it. What kind of housekeeping do you call this, anyhow? he tion. velled, as the blade slipped out and closed up on his fingers.

'Did you hurt yourself, dear?' asked Mrs. Spoopendyke, anxiously.

'No, I didn't hurt myself!' grinned Mr. Spoopendyke. The dog-gasted been dead with agony an hour ago. Give me some ether!' he howled. Fetch me some chloroform! S'pose I'm going to saw at this box any more without an esthetic? Got an idea I'm going to chop off a couple of dozen now. Hit him again, old gal.' fingers without something to deaden the pain? Where's the laughing gas? Give me some laughing gas while I extract these measly old fish,' and Mr. Spoopendyke pranced around the room, and then jabbed the knife into the box again, and ripped away as though he was run by steam. 'No use to hide away from me!' he yelled, hacking away at the box with all his might. I know you're in there, and there can't be any dod-gasted sardine that ever was built get away from me. Come out, I tell ve!' and he seized a ish by the tail and slung him across rences. the room. 'You're transacting business with Spoopendyke now! and he clawed out a handful of mashed sardines and s'apped them down on a plate.

Mrs. Spoopendyke, dodging the flying hearls and tails. 'They wen't be very good if you open them that way."

that fish at the bottom. Where's the tongs? Gone to get married to the can-opener, haven't they? and Mr. Spoopendyke grabbed another fish, and fired him into the grate.

'Be patient, my dear,' said Mrs. Spoopendyke, soothingly. 'Make the opening a little wider, and they'll

'Ain't I patient?' shouted Mr. Spoopendyke. Praps you want me to aing to 'em, 'I wish I was an angel, and with the-' dod-gast the fish! Come out of that!' and with a wrench Mr. Spoopendyke hauled off the top and disclosed the mangled remains of his enemies. 'Now, give me a lemon,' and he eyed the repast with anything but contentment. Stir around and get me a lemon; quick, now.

'Upon my word, my dear, I don't believe there's a lemon in the house, stammered Mrs. Spoopendyke.

Oh, you had one! - proclaimed Mr. Spoopendyke, only you're just out. if you'd been brought up right, you'd only need an awning and a family on the top floor to be a grocery shop.-Spose I'm going to eat these sardines aw? Think I'm going to swallow these fish alive? Gimme something to nat on 'em, will ye?'

What would you like, my dear?

queried Mrs. Spoopendyke. Ink, dod-gast it! Fetch me some measly ink! Got any nails? Can't you find some laudaum somewhere?' and Mr. Spoopendyke projected himself into the closet and pranced out with a bottle or arnica. 'There!' he bowled, as he dashed the contents over the sardines, there's your fish all ready for you, and the next time you want me to open the things, you'll have a lepton, will ve? Find a can-opener. wont ye? and Mr. Spoependyke flopped into his easy chair and picked up the

Don't you want some of the fish? asked Mrs. Spoopendyke, after a long

'No. 'I don't!' growled Mr. Spoo pendyke.

But this is a fresh box,' said Mrs Spoopendyke, displaying the sardines n neat layers.

'How'd you get it open?' demanded Mr. Spoopendyke. With the can-opener, replied his Saur.

wife. I found it in your tool-bex, where you put it to sharpen it."

endyke, pegging away at the box and looking up with his mouth full, but Brooklyn Englo. recognizing the taste of vinegar he made some remarks about some people and ribbons in his wife s bureau draw. needing only a handle and a cork to be er; 'what has become of the can opener? a fortunatus jug. and having finished the lot, he demanded why his wife 'What do you want of it?' asked handn't asked for them if she wanted Mrs. Spoopendyke, fluttering up to some, and went to bed with some incoherent observations on the absurdity

# THE END OF THE WORLD.

Wind-Up. (Virginia City Enterprise.

Say, what is there in this talk about Old Mother What-you-call-her, the conjugation of the planets, and the world comin' to an end this year?' asked a grizzled old 49er, stopping The large blade is just the thing for Professer Legate as he was turning the corner of C and Union streets with a big telescope under his left arm. 'Do and bored away at one corner of the you think the old world is going to pass in her checks?"

Well, said the Professor, 'we will certainly have during this year some der the box? You'll get the oil all remarkable movements in the princi-

Chief, explains it in the following:

There are several causes for the deis the superior factlities and the imcontaining vast amounts of reading day passes but the publisher of the tuned to let his paper go for \$1 or big city papers, containing three or four times as much reading, is sent for that price. Those subscribers do not consider that the country publisher has to depend solely upon his earnings from week to week, while the city paper, owned by wealthy stock companies. printed by steam, and possessing all the best advantages, can afford the paper all the matter in which has al ready been paid for in a daily paper, at a very low figure. The same overwhelming power of capital has crushed out the shoemaker, and other trades. It is crusning out the farmer in England and Ireland, and will do it here in course of time. The farmer who attempts to beat down the prices of a country publisher, does not reflect that the same thing is fast coming home to him. He is already helpless in the

matter of transportation. The thing that every citizen of a date. county is most deeply interested in, is the affairs of his own county. The cheap city paper gives him nothing of this, but the only place to find it is in the county paper. If they break down the county paper by forcing into competition with the city papers, whose matter has been printed over and over, and paid for several times before it goes into the weekly, how are they to the flow of sole. keep informed upon their home affairs?

#### An Indian Boy's Love Letter.

A love-letter picked up on the floor of a school with Hampton's views on coeducation need not inevitably shock even pedagogic sensibilities. Written in unknown tongue, however, with only the names to betray it, a translation by the private interpreter seemed only a proper precaution. If I confide it to the gentle reader, the Indian lovers will be neither the worse nor the wiser, while some others may find in it valuable suggestions for similar correspondence.

"NORMAL SCHOOL, February 3, 1879. "Miss ---: I said I like you, and I want to give you a letter. Whenever I give you letter, I want you answer to me soon. That's all I want, and I will answer to you soon after. When you give me letter, it raises me up. It makes me heart-glad, sister-in-law. When I talk, 1 am not saying anything foolish. Always my heart very glad. I want you let me know your thought. I always like you and love you. I am honest about what I say, I always keep in mind. I want always we smile at each other when meet. We live happy always, I think that's best way, and you think The greatest mashers turn out the it is and let me know. And I want to say one thing-don't say anything to "You will love only me, George, dar- Henry. I don't think that's right.
